August 31, 2007 - Availability of Pump Fuel

Article 15.4 of Supplementary Regulations authorized competitors wishing to use pump fuel to refuel their cars at gas stations identified in the Road Book that are located in the vicinity of the refueling zones.

On Leg 1, a Mobil gas station in the vicinity of the Service Park at Nevele has been identified in the Road Book.

On Leg 2, there are unfortunately no gas stations near the Service Park at the Ten Mile River Reservation in Narrowsburg. Competitors wishing to use pump fuel are advised to bring their own fuel for refueling at the Ten Mile River Service Park in Narrowsburg during Leg 2.

Alternatively, competitors wishing to use pump fuel are authorized to refuel at gas stations located along Route 17B between Monticello and White Lake on the liaison sections to and from the Ten Mile River Service Park in Narrowsburg. The distance between these gas stations and the Service Park in Narrowsburg ranges from 10 to 23 miles.

September 4, 2007 - Notice Regarding Article 6 of Supplementary Regulations – Tires

Article 6 of Supplementary Regulations states: Tires must either meet the requirements of Appendix IV of the FIA Rally General Prescriptions or must be approved by DOT for highway use.

Competitors are advised to take notice of the following paragraphs of Appendix IV:

2.1 ...grooves at least 5.5 mm deep,...

4.1 Point 2.1 will be checked at the start of each rally and each time the competitor replaces a used tire with a new tire.

4.2 At all times during the event, the tread depth of the tires on the car must not be less than 1.6 mm over at least three quarters of the tread pattern.

4.3 The spare wheel may be reused if, and only if, the minimum depth is 1.6 mm, but must always remain on board.

Please take further notice that tires approved by DOT for highway use must maintain the same minimum tread depth of 1.6 mm at all times during the event.
