Gentlemen:

Enclosed are the results of the Lancia Big Bend Bash. On behalf of the Texas Region SCCA, the Dallas Sports Car Club, and the Rally Committee, I wish to thank you for your participation in the Bash this year. Due to the low entry in 1974 we felt that this year would be our last attempt if we did not get more contestants. A decision has not yet been made but I personally feel that the enthusiasm with which the Bash was received justifies one more try.

CER's were not furnished to us and were not included in your rally packet. A CER for each contestant is enclosed with these results. We would appreciate you completing it and mailing it in the enclosed envelope.

Hope to see you at next year's Bash, ITIS!

Yours very truly,

Clyde Darbin
